

Finding extra space in dorms

Dorm room space

Finding more space in the dorms

Needing to get room essentials for extra space in dorms to act as rooms

Unchangeable stuff

Too many students admitted for the dorms

Can't change current number of people that were admitted

Students living in apartments

Cost of getting apartments for freshmen to live

Students living in apartments

Transportation from apartments to campus

Building new buildings to get more space

Getting more buildings for dorm space

Finding space to build more buildings

Cost of building more buildings

Shipping for getting materials for building space

Location of buildings in relation to other buildings on campus

Changes to prevent this from happening in the future

Making sure this problem does not happen in the future

Do not admit to many people for the dorms in case too many people accept

Not admitting as many students so there is more space

Social things about the lack of space issue

No advertisement about space issues

Discourse of everyone who has to live elsewhere due to lack of space

Stuff that involves time

Most freshmen will probably live off campus next year

Freshmen needing to live on campus for first year
